SONY

FWD-32W800

32" BRAVIA HD Professional Display

Overview

The professional display that's designed for business

Present a clear, professional image with the FWD-32W800 BRAVIA Professional Display. It's the superior way to get your message across, with crisp HD-ready picture quality and reliable operation.

For even greater peace of mind there's the added reassurance of our 3 Years warranty with Repair or if necessary advanced exchange handled by local partner, on premise where possible. You can also choose to extend your support for an additional 2 years.

Features

See finer, clearer detail
BRAVIA features X-Reality™ PRO picture processing that analyses every frame, matching scenes with our special image database to refine picture details and reduce noise.

BRAVIA also brings you images and videos in vividly detailed HDR. It handles a variety of HDR formats, including HDR10 and Hybrid Log-Gamma.

Flexible mounting and installation
BRAVIA Professional Displays offer flexible installation options, with VESA standard mounting for easy integration into a wide range of environments.

Greater peace of mind
There's the added reassurance of our 3 Years warranty with Repair or if necessary advanced exchange handled by local partner, on premise where possible. You can also choose to extend your support for an additional 2 years.

Specifications
